

Experienced Industrial Technician Wanted – Variety and Craftsmanship in Focus

Join a workplace with strong professional standards and decent working conditions.

Do you have experience with CNC programming and would you like to work with both small series and one-off productions in a company where quality and job satisfaction go hand in hand? Then read on – you might be exactly the person we're looking for.

About the Job

At Krogsgaards Maskinværksted, we work with Mazak CNC lathes and Integrex machines. We are looking for a skilled industrial technician who can take responsibility for:

- Programming, setup, and operation of CNC machines
- Manufacturing unique components in small series
- Daily production with a focus on high precision and quality

Our tasks are wide-ranging, which means you'll have a varied and engaging workday with new challenges and opportunities for development.

What We Expect from You

- Solid experience with CNC machines – preferably Mazatrol and CAM programming
- You work independently, are structured, and have an eye for detail
- You are punctual and take responsibility for your tasks
- You take pride in your craft, which is reflected in the quality of your work

Who We Are

Krogsgaards Maskinværksted ApS is a modern and well-regarded company where we value job satisfaction, professionalism, and teamwork. With us, you'll find:

- A good working environment with mutual respect between colleagues and management
- A well-organized and inclusive workplace with room to be yourself
- A focus on personal and professional development through diverse assignments

Working hours:

Monday–Thursday: 07:00–15:45 - Friday: 07:00–12:15 - Overtime is rare – and never without prior agreement.

Salary and Conditions

- Salary according to qualifications
- A short introductory period with adjusted salary while we get to know each other
- Pension scheme and health insurance after the probationary period

International Candidates Are Very Welcome

We warmly welcome skilled professionals from abroad – and we are happy to assist with:

- Contact with local authorities
- Help finding housing
- Local Danish language classes for you and your spouse in your free time – because we want you and your family to thrive and become part of Danish society

We expect you to have good English skills and to be open to learning Danish – it's an important key to community and life in Denmark.

Ready to Take the Next Step?

If you can see yourself in this job and in our everyday work, please send us an application where you tell us a bit about:

- Your education and experience
- Your skills
- Your family situation and background

We look forward to hearing from you – and perhaps welcoming you as part of our team.
